This file contains the sewing pattern only. The sewing instructions are stored on my blog at <http://bit.ly/peasant-instructions>

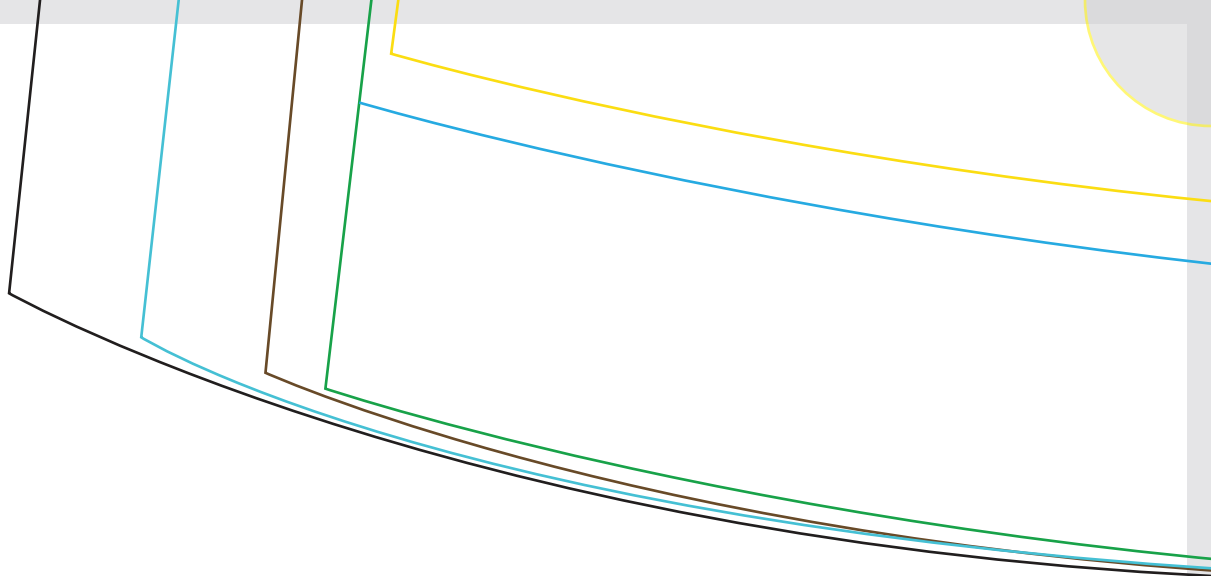

Pattern printing, assembly tips and copyright info:

1. Download pattern to your pc.
2. Open with Adobe Acrobat Reader (not the reader in Google Docs.)
3. Turn off all formatting, chose actual size and auto portrait/landscape.
4. Cut out each block around the outer gray edge and allign the gray boxes, edge to edge (don't overlap) matching up colored circles.
5. Tape pattern together and cut out size needed.
6. For best, long sleeve length can be cut to individual size.
7. Pattern instructions and tutorial can be found at:
Scatteredthoughtsofacraftymom.com and searching for:
